Egger Laminate

**A versatile collection
for an eye-catching finish**

Egger Decorative Collection 2017 – 2019

EGGER Laminate

Combine your ideas with the EGGER Laminate Collection. Choose from 297 laminates, in woodgrain, uni colour and material decors, to create eye-catching interiors.

Coordinate colours and textures across a number of applications, including table and desk tops, receptions desks, doors and worktops. Most laminates are postformable, helping to create high end design. Durable, versatile and easy to process, laminate is the perfect solution for high activity surfaces.

Imagine what's possible

Bring your project ideas to life with our Laminate Design Wall. Get an overview of our extensive collection, try out different decor combinations and order 85 × 85 mm decor samples or a swatch.

Laminate

A collection of 297 trend orientated decors, well suited to many application areas.

Choose from realistic woodgrains, industrial materials and bright uni colours to create attractive, bespoke designs.

Available in a 3050 × 1310 × 0.8 mm standard format.

Gloss and Matt Laminate

PerfectSense Matt, PerfectSense Topmatt and High Gloss laminates create an upmarket look and feel.

The unique UV coating is micro scratch resistant and robust, making it well suited to commercial and domestic application areas.

Available in a 3050 × 1310 × 0.8 mm standard format.

Feelwood Laminate

Featuring synchronised technology, the surface texture matches the woodgrain decor to provide a finish almost indistinguishable from the real thing.

Available in 15 decors in a 2790 × 2060 × 0.8 mm XL format.

Door Laminate

Door Laminates are a cost effective alternative to solid timber, veneer or painted finishes. Stocked in 90 decors, these laminates are hard wearing and extremely durable.

Using the most up-to-date texture technology and decor designs, the range offers a door finish for every interior.

Available in a 2150 × 950 × 0.8 mm door format.

Coloured Core Laminate

Available in 9 decors, Coloured Core Laminate creates furniture with a seamless finish. The lack of an obvious joint is due to the multi-layered composition, which is made up of decor papers of the same colour.

Available in a 3050 × 1310 × 0.8 mm standard format.

Finishing Touches

A coordinated finish can be achieved by using Laminate alongside EGGER's other decorative products. Matching ABS edging is now available for all laminate decors.

For availability of Melamine Faced Chipboard (MFC) and Melamine Faced Medium Density Fibreboard (MFMDf) please check online.
